

THE PURTY KITCHEN

Meet Lady Bertha

Bertha is our newest member of the kitchen team and she cooks in a very unique way. With nothing but brick charcoal she gets to an amazing 400 degrees and manages to seal in all the flavour and goodness of all our meats and vegetables whilst giving everything a crispy bbq'd skin. In the evening when all the madness of the kitchen is finished then she cooks our slow roast Porchetta so when we get here in the morning its cooked to perfection. Enjoy Bertha.
